**NEWLY ELECTED REPUBLICAN CANDIDATE FOR
TAZEWELL COUNTY CLERK GIVES REMARKS BEFORE MEETING OF
THE TAZEWELL COUNTY REPUBLICAN PARTY**

***NOW REPUBLICAN CANDIDATE JOHN C. ACKERMAN TALKS ABOUT
FOCUS ON WINNING IN NOVEMBER***

MORTON, IL: "A little over two weeks ago, we sat at an intersection. Which ever direction we went would end at the Tazewell County Clerk's office in November.

Some have talked about one candidate winning on March 20th. I don't see it that way. We made a decision on which direction to take to get to the County Clerk's office in November. And we made this decision as a group. No one made the right decision or wrong decision; we made a decision as a group on the direction to take to get to our destination this November.

I am honored to have the support of both Brett Grimm and Shelly Hranka as we travel down this path to the Tazewell County Clerk's office.

I ask everyone to join me on this journey. Together let's arrive at the Tazewell County Clerk's office in November. Together we will GROW, STRENGTHEN, and IMPROVE the office of Tazewell County Clerk."

John C. Ackerman's comments this morning to the Tazewell County Republicans.
