***** News Update *****

Tazewell County 4-H Fair

This morning I had the pleasure of judging the Exploring Citizenship and Leadership Skills displays at the Tazewell County 4-H Fair. If you get the chance between today and the end of the fair on Thursday, stop by the fair and view the wonderful displays the children of this county put together. Below I have included a photo of one of the winning Citizenship displays I judged that is now heading for the Illinois State Fair.

The Tazewell County 4-H Fair is a wonderful opportunity for the youth of this county to showplace the amazing talent and skills they have developed. But it is also an opportunity for us to witness and show appreciation to the countless volunteers and leaders within the county 4-H organization that have taken the time for years, in several cases for many decades, to teach and develop these skills and talents.

These volunteers not only train and teach countless youths within the county, they train and teach the future leaders of this county. And from what I saw this morning at the Exploring Citizenship and Leadership Skills displays, Tazewell County will be blessed with talented leaders for a long time to come.
