**Gubernatorial Candidate and Illinois State Senator  
Bill Brady on 1470AM WMBD Radio this morning**

Many of you have asked me for more information concerning Bill Brady's Campaign for Governor of Illinois. Here is a great opportunity for information directly from the source himself! Senator Brady was on the Greg & Dan Morning Show earlier today on 1470AM WMBD. Below I have included a link to their archives where you will be able to listen to the interview.

During the segment, the Senator discussed the issue that too many of the current leaders live in too small of a part of Illinois. The Senator discussed the fact that he is a part-time legislator and full-time small business owner. This helps him relate to the issues faced by small business owners throughout the State of Illinois; he is facing these same issues himself with his businesses in Bloomington. He spoke about wanting to improve the business environment to encourage the growth of new jobs as well as reducing the size of the State Government.

Brady said that he feels that the people of Illinois are looking for "a Governor that they know is beyond the Chicago Ward style politics of corruption; a Governor who will put the peoples interest first and not their own. Someone who will layout not just a short-term solution to budgetary problems but a long-term solution so that Illinois prospers each year. That it becomes a State where our kids, our children can find employment and raise their families."

Please take the time today to listen to the interview. For more information concerning the Senator's campaign for Governor, please go to his website [www.BradyforIllinois.com](http://www.BradyforIllinois.com) or use the link to his website on my website, [www.JohnCAckerman.com](http://www.JohnCAckerman.com). Also continue to watch for updates concerning the Senator on my website. I will try to give as much notice as possible of future events in the area that the Senator will be attending, which would give you the opportunity to meet and visit with him.

As many of you are well aware of, Maria and I strongly support Bill Brady's campaign for Governor and we hope each of you will take the time to review his credentials and listen to his message of how he would get Illinois back on track and working for the betterment of all citizens.

I consider it an honor and a privilege to represent you on the Tazewell County Board and if I can be of any assistance to you please do not hesitate to contact me.
