***** News Update *****

[Website Milestone](#)

As many of you know, I have given my full support to Illinois State Senator Bill Brady for his upcoming bid in 2010 for Governor of State of Illinois. This office will be the most important position up for election in 2010 and after such a long time with incompetent lack of leadership from this office it is of the utmost importance that the right individual, one that we can fully trust with this overwhelming responsibility, get elected. I truly believe Senator Brady is our best hope to restore dignity to this vital position.

With this in mind, I am asking for your help. We are working on a possible fundraiser for Senator Brady at the Peoria Chiefs Baseball game on Sunday, August 23rd. Tickets would include a meal and would be for a reserved section of the stadium. Bill's Staff and I have discussed many of the details and believe this will be a fun, in-expensive fundraiser event that could be marketed in seven counties; Tazewell, Peoria, Woodford, McLean, Bureau, Knox and Fulton. Prices for the tickets to this event have yet to be set as we are still finalizing many of details.

In order to make this event happen, we are looking for sponsors to assist us in covering the cost. If you are interested in being a sponsor for this fundraiser, please email Mel Stanford, Dan Egler or myself by the 30th for this month, as we will be decided at that point whether or not to go forward with this event. Sponsorship levels are Grandslam Sponsorship at \$250 and Homerun Sponsorship at \$125. Homerun Sponsors will be recognized at the entrance of the event and Grandslam Sponsors will be recognized at the entrance of the event and at the food tent. Being recognized as sponsors before the Senator's remarks and receiving tickets to the event will further recognize both levels of sponsorship.

While these are the minimum levels of sponsorship for this fundraiser, please note that I will make sure that higher levels of sponsorship are recognized at an additional appropriate level.

For more information on the Senator's campaign, or to sign up to help the campaign, please visit his website at www.BradyforIllinois.com or see the link on my website.

If you are willing to assist the Senator with this fundraiser, please email one of the event organizers:
