I was proud to work for Dan Rutherford in Tazewell County when he was first elected to the Illinois State Senate and he has done a fantastic job of representing the citizens of northern Tazewell County. His websites and the way he uses them to communicate with his constituents was one of the models I used as a standard when organizing my website. He will make a wonderful State Treasurer and I am confident that his attention to detail, thoroughness on the issues, and excellent level of communication and explanation of the issues to his constituents will continue over into this new position if he is elected.

Please join me in supporting this reception and also in supporting an elected official that has worked tirelessly for the people of the State of Illinois, my friend Dan Rutherford!

As always, I consider it an honor and a privilege to serve you on the Tazewell County Board and if I can be of any assistance to you, please do not hesitate to contact me.
