GREEN VIEW ANNOUNCES JOHN C. ACKERMAN AS GARDEN CENTER MANAGER FOR THE BLOOMINGTON DIVISION

DUNLAP, IL – Green View Companies is proud to announce that it has named John C. Ackerman of Washington as the new Garden Center Manager for the Bloomington Division. Ackerman had been employed as a Horticulturist and as the Plant Stock Manager for the Bloomington Division since March of this year and will be replacing Matt Eich of Bloomington who has accepted a Wholesale Sales position within the company. Ackerman had previously worked for Green View in 2004 at its Dunlap Division as a Horticulturist and has a decade of work experience in the Horticulture Industry.

“I am grateful to the company for this opportunity to continue to not only work for a great family owned and operated business, but also to continue to work for a leader within the Agriculture Industry in Illinois,” Ackerman said. He stated that he and his family would continue to reside at their Washington address. Ackerman, who is a Tazewell County Board Member, is married and they are the proud parents of a newborn son. “The Bloomington Division has seen great growth this year and I am looking forward to this opportunity to grow with the division and company going into the future.”
