Illinois Republican Gubernatorial Candidates Interviews

The Illinois Review, a conservative website based in the Chicago Area, took the time to interview five of the six Republican Candidates for Governor (Matt Murphy was not able to participate due to scheduling conflicts). Last week they began posting the video of the interviews. I have attached the links page to these videos on my website under "In the News" and titled "Illinois Republican Gubernatorial Candidates Interviews".

As many of you know, Maria and I are fully supporting Illinois State Senator Bill Brady in his effort to be the next Governor of Illinois. Below is a photo from our recent fundraiser we hosted for Bill at the Peoria Chiefs Baseball.

I feel that no other political race will be more important for not only the Illinois Republican Party but the State of Illinois's future than the 2010 race for Illinois Governor. For too long we have seen what happens when we put the wrong individuals in this office and it is time we start to bring pride and respect back to the Governor's Office. Please take this opportunity to go to the website and listen to what Senator Brady and the other candidates have to say.

Ackerman, Maria Ackerman, Illinois State Senator Dale Risinger, Village of Morton Trustee Ginger Hermann and McLean County Board Member James Soeldner at the Bill Brady Day Fundraiser at the Peoria Chiefs Ballgame.

As always, I consider it an honor and a privilege to serve you on the Tazewell County Board and if I can be of any assistance to you, please do not hesitate to contact me.
