***** Press Release *****

Support Brian Hibbert for Illinois Central College Trustee

I want to take this opportunity to request your support of my friend Brian Hibbert in his efforts to gain election to Trustee of Illinois Central College.

Brian has been a very supportive Republican Precinct Committeeman and currently serves on the Tazewell County Republican Central Committee. He has gained a reputation of in-depth research of the issues and individuals he supports. This research skill will serve him well on the Illinois Central College Board.

Brian has stated his goals as: "My goal on the board is to be able to ask 2 questions for each and every expenditure of the college. Does this expenditure help us meet our core goals? And is there a better way to meet these same goals? I believe that by keeping the college focused on its primary task, we can keep the cost of a college education low and help make it available to more people who otherwise would never be able to attend college." During these times of continuing rising cost, we need elected officials that review all cost and look for ways to lower them.

While there are five qualified individuals running for three openings, I want to ask that one of your votes go to Brian Hibbert for the Illinois Central College Trustee.

As always, I consider it an honor and a privilege to serve you on the Tazewell County Board and if I can be of any assistance to you, please do not hesitate to contact me.
