Tazewell County District Three Township Visits

Last year, I took the time to visit each township and municipality in District Three to introduce myself to them and listen to their thoughts and concerns. Each visit ended with me making a commitment to do this yearly. As you will recall, I completed a second round of visits to each municipality in District Three a few months ago. Now I want to fulfill my commitment to the townships.

Here is the schedule for the Tazewell County District Three Township Visits:

December 8th	7:30	Hopedale Township
December 14th	7:00	Deer Creek Township
January 11th	7:00	Tremont Township
January 12th	7:30	Little Mackinaw Township
January 13th	5:00	Washington Township
January 20th	5:00	Fondulac Township
February 9th	7:00	Mackinaw Township

The purpose of these visits is just to re-introduce them to some of their County Board Members, listen to their thoughts and concerns with the direction the county is heading, listen to any of their ideas on how we can improve our relationship and communication with them, ext..

All District Three County Board Members are invited to join me on these visits. Members Paul Hahn, Mel Stanford and Russ Crawford joined me at many of the municipal visits and the more members that attend these visits the better for District Three and Tazewell County as a whole. Communication is never a bad thing and I have found these opportunities priceless.

As always, I consider it an honor and a privilege to serve you on the Tazewell County Board and if I can be of any assistance to you, please do not hesitate to contact me.
