Ackerman Family Proud to Support John Vespa for 10th Circuit Judge & Bill Brady for Governor of Illinois

Our family is proud to be supporting our friends John Vespa and Bill Brady in this upcoming election. We are asking you to join us in supporting both of these qualified individuals on November 2nd.

John Vespa started out as a Peoria County Jailer, and then became a Peoria County Sheriff Deputy before finally making a career as a Lawyer. He is unique in this election in that he is the only candidate with both Civil and Criminal Courtroom experience. This combination of street smarts gained through past work history as a Jailer and Deputy combined with courtroom experience in both Civil and Criminal law is a rare set of qualifications.

We also like John's continued personal improvement history. It is hard enough for a Jailer to become a Deputy, but then to continue to improve educationally to become a lawyer is a past history of continual individual improvement and growth that we find very attractive. Add to this his strong family values and you have an extremely well rounded candidate.

As a State Senator Bill Brady represents a large section of Tazewell County, including a large section of District Three that I am proud to represent on the County Board, and it has been in that role that we have come to find him to be a hardworking, honest, dependable Conservative leader. Senator Brady has done an excellent job of representing the citizens of Tazewell County in the State Senate and we look forward, with your help, to having him perform at the same level of excellence in the Governor's Office.

Please join our family in Supporting John Vespa for 10th Judicial Judge and Bill Brady for Governor on November 2nd.

As always, I consider it an honor and a privilege to serve you on the Tazewell County Board and if I can be of any assistance to you, please do not hesitate to contact me.
